

# Welcome to Claimsville

In 2018 mmadigital analysed 12,000 of its injury-related claims. This infographic highlights the most common types of claims accepted by law firms.

# **Personal Injury Claims**

#### Slip/trip/fall on public land

Whoops! Injuries sustained from slips, trips and falls can happen anywhere and may be accountable to the local authority.

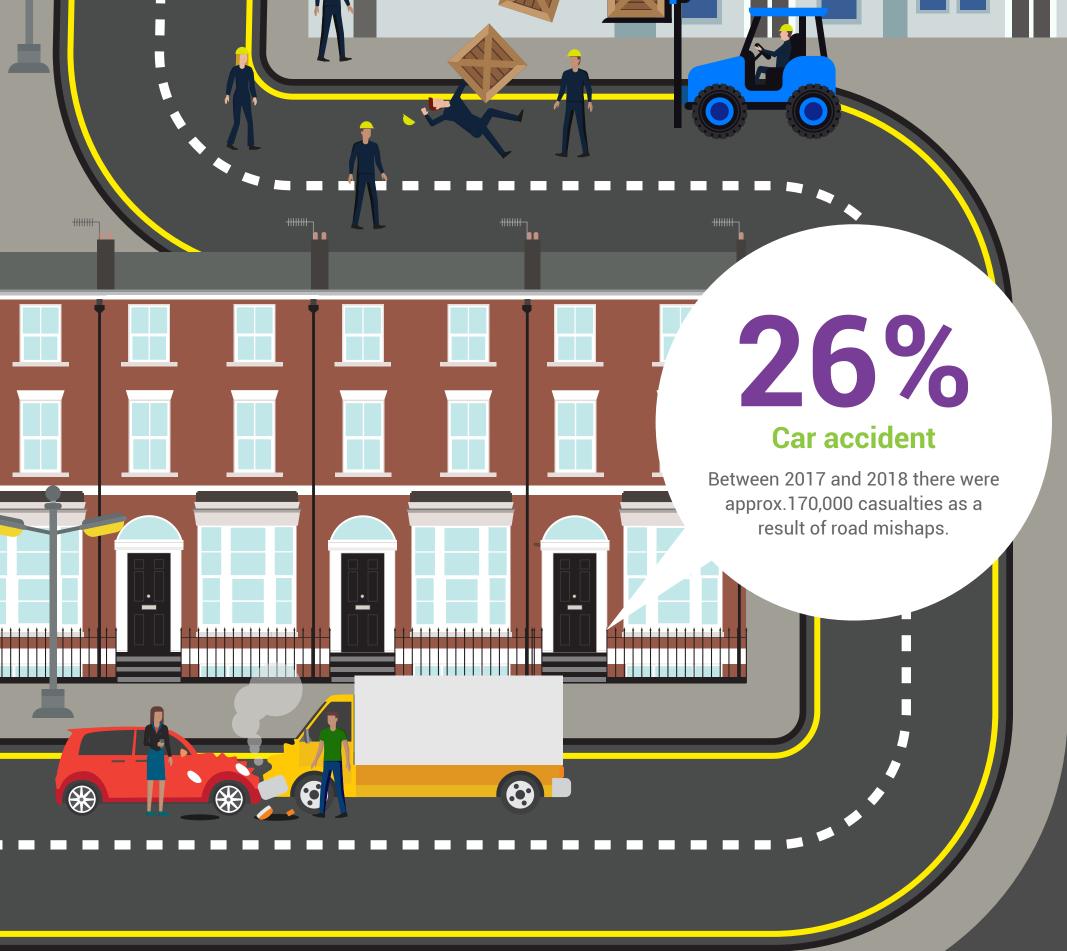

()

### **15%** Slip/trip/fall on private land

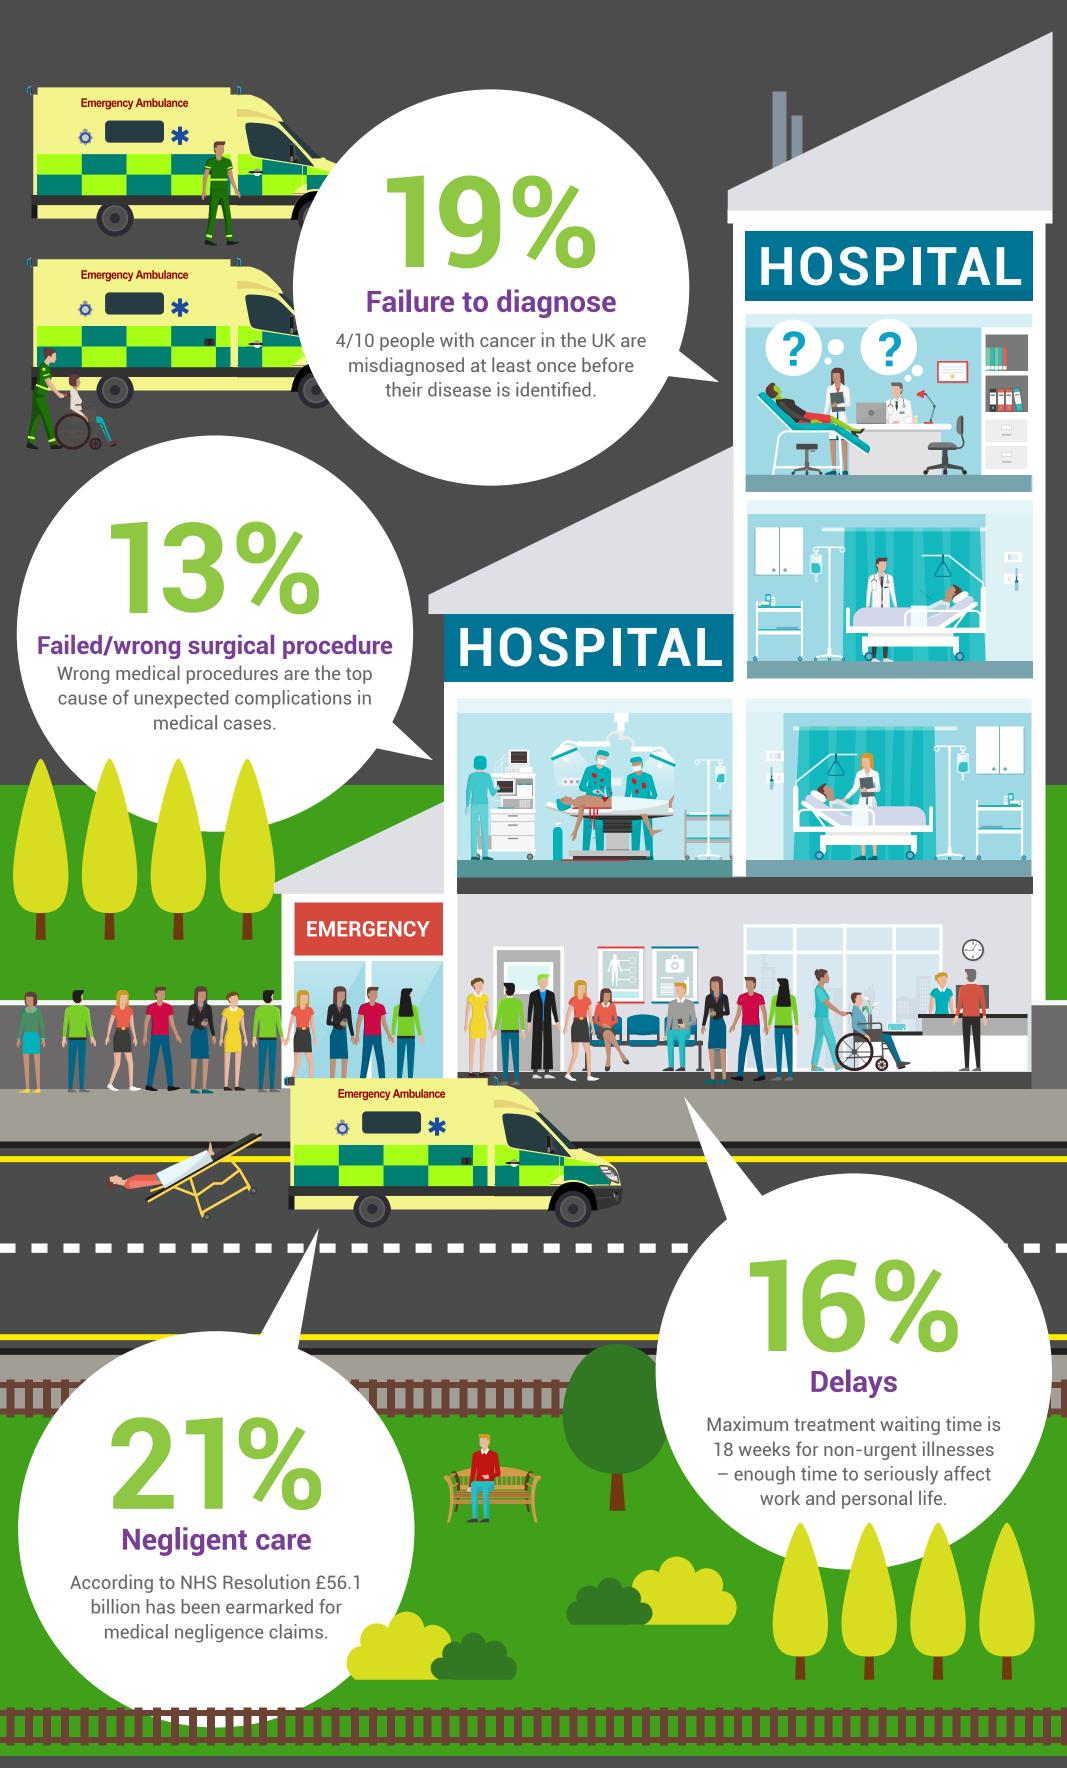

According to the 1985 Occupiers' Liability Act, the premises holder can be held accountable for any injuries sustained by a person within its boundaries.

#### **34%** Accident at work

With over 70,000 work-related injuries reported under RIDDOR between 2016-17, UK workers lost 31.2 million working days.

## Medical Negligence Claims
